ANNUAL REPORT OF THE
Selectmen and other Town Officers
UNITY, N. H.

YEAR ENDING FEBRUARY 15, 1914

IN TOWN AFFAIRS

It is important to get honest value for every dollar expended. It is equally important to do so in private affairs.

As clothing is something that everyone is obliged to buy more or less of, it is of the utmost importance that they get an honest dollar's worth for a dollar, when buying clothes. If we don't give you full values we want to know about it.

GENERAL REMARKS

During the past year we have maintained five schools and one term in another district. There has been 170 2-5 weeks of schooling. Good teachers have been employed and on a whole good results have been obtained. The attendance of pupils though good in some schools in not what it should be. The absence or non absence of pupils, makes very little difference in the cost of the town for maintenance of schools so those parents who do not send their children regularly to school are paying out money for which they get no return. A close inspection of our school registers shows but few parents names in the visitors' column and most of them appear on the last day of school, or some other gala occasion. Now, may we not expect in the coming year more evidence of a kindly interest on the part of parents,

We recommend for

High school tuition	\$125 00
Text books and supplies	75 00

We do not think it will be necessary to raise money for flags as there is an appropriation of \$ 5 00, already.

Respectfully submitted,

SPEDIE A. NEWTON,	}	School Board of Unity.
EMMA S. STOWELL,		
ETTA E. HURD.
